

I do not want to be telemarketed by any business with as few exceptions as possible. I feel that Wisconsin's No Call List has improved the quality of my life. I want our law to remain as is. Wisconsin citizens do not want to be exposed to telemarketing from a businesses or its affiliates simply because we have had contact with the business. We want to make certain that the FCC puts consumers, not big telemarketers, first. It is MY phone not the telemarketers, it is for MY convenience and use not theirs. We don't want Wisconsin's tough law replaced with the weak do nothing Federal law.
